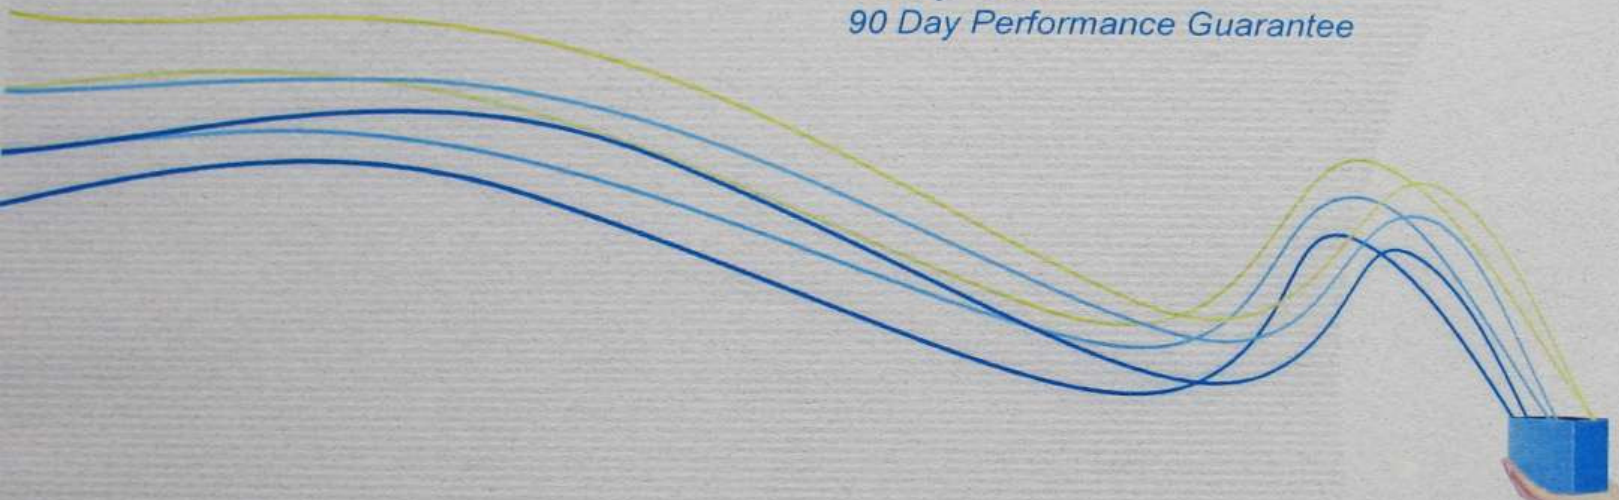
90 Day Performance Guarantee



We simply request that your practice is properly trained by a Dolphin-certified consultant, and that you fully integrate Dolphin in your practice for ninety (90) days*. If you can't honestly say that Dolphin makes your practice more efficient and effective, return the product and we will refund your money.

* For Dolphin Imaging: capture and process at least 30 complete patient, photo and radiographic records. For Dolphin Management: your practice must process and send statements for at least three (3) full, and consecutive month periods from the date of on-site training.
